

AMARA: DISCIPLES OF THE VAULT COSPLAY®

BORDERLANDS 3

SINISTER SISTER

Initially drawn by the Calypsos' offers of insights to her Siren gifts, Amara comes to view the COV as scrappy rebels banded together against the armies of the corporations. After demonstrating her loyalty and usefulness on the battlefield, Tyreen allows Amara to keep her Siren abilities in the capacity of Sinister Sister, a holy avatar of Tyreen's will.
