BORDERLANDS 3

THE H4RBINGER

On their never ending quest to find Death, FL4K determines that the Children of the Vault brush shoulders with her every day. After seeing how zealously the COV hunt the Vaults, killing and dying in droves, FL4K resolves to join the bloody crusade, hoping to get closer to their quarry. Over time, FL4K comes to be seen as an omen of destruction. Where they go, Death is sure to follow.
