

ZANE:DISCIPLES OF THE VAULT COSPLAY®

BORDERLANDS 3

BANE FLYNT

In an effort to evade powerful enemies that may have followed him to the Borderlands, Zane infiltrates the COV, hoping to lose himself in their nameless ranks. However, he can only live among the bandits for so long before becoming one. The blood of a Flynt still runs in his veins, and Zane picks up the mantle as his brothers before him to become the bandit clan leader known as “Bane Flynt”.
