

MORDECAI

An elite marksman, seasoned hunter, and former spy for the Crimson Raiders, Mordecai specializes in taking targets down before they know what's hit them. With decades of experience, he's seen plenty through his rifle's scope, from opening Vaults to competing in Mad Moxxi's Underdome arena and everything in between. With the help of his winged companion "Talon", he now works with an independent mercenary crew known as "The B-Team".
