

TINA

The most deranged demolitions expert in all the Borderlands, Tina is a master of all things explosive. Though she has a bit of an "active imagination", when you need something reduced to rubble and red mist, there's no one better. Whether she's strapping a stuffed rabbit to a rocket, or leading her friends through a crumpet-fueled role-playing game, Tina doesn't let her work get in the way of her play time.
