

CHARACTER STYLE GUIDE:

LOU13

LOU13 (he/him) | Assassination Bot

An eloquent assassination bot with instant access to a database of known targets, LOU13 is not without manners (for instance, he'd never kill you before learning your name). Programmed for a life of calculated murder, LOU13 aspires to more. This dapper killing machine longs to give humanity the gift of laughter and is pursuing a side career in comedy. Fascinated by the group dynamics between Anu, Octavio, and Fran, LOU13 is happy to track the strength of their ever-evolving bonds via a rather unconventional rating system.
