The future of sports career modes has arrived, allowing you to play the game the way you like. Build your career in NBA games, hit the courts in The Playground, join the Pro-Am circuit, or explore the shops and venues in an all-new open neighborhood setting. Featuring new MyPLAYER upgrade and endorsement systems, our biggest cast of characters to date including NBA players, and so much more.

MyTEAM Collect and compete with player cards featuring NBA legends from yesterday and today. Construct a salary-capped team for the all-new Super Max season mode, or draft cards for a 5v5 tournament in the new Pack & Playoffs mode.

ELITE GAMEPLAY The new motion system engine brings player control to a new level of realism. Now, dribbling and off the ball movement are no longer driven by animations. This groundbreaking technology dynamically creates animations to deliver the best gameplay experience possible. You are now in complete control.

SPECIAL GUEST COMMENTARY The biggest roster of broadcasting talent in sports videogame history gets even bigger. Legends Kobe Bryant and Kevin Garnett join the booth on a rotating basis to lend their expertise to the broadcast.
