

# RUN THE NEIGHBORHOOD

The future of sports career modes has arrived, allowing you to play the game the way you like. Build your career in NBA games, hit the courts in The Playground, join the Pro-Am circuit, or explore the shops and venues in an all-new open neighborhood setting. Featuring new MyPLAYER upgrade and endorsement systems, our biggest cast of characters to date including NBA players, and so much more.

**MyTEAM** Collect and compete with player cards featuring NBA legends from yesterday and today. Construct a salary-capped team for the all-new Super Max season mode, or draft cards for a 5v5 tournament in the new Pack & Playoffs mode.

**ELITE GAMEPLAY** The new motion system brings player control to a new level of realism. Now, dribbling and off the ball movement are no longer driven by animations. This groundbreaking technology dynamically creates animations to deliver the best gameplay experience possible. You are now in complete control.

**SPECIAL GUEST COMMENTARY** The biggest roster of broadcasting talent in sports videogame history gets even bigger. Legends Kobe Bryant and Kevin Garnett join the booth on a rotating basis to lend their expertise to the broadcast.

**LEGENDARY TEAMS** The greatest players in NBA history from all 30 teams, together on all-time franchise rosters for the very first time. Compete in Play Now to decide once and for all which franchise's all-time greats reign supreme.
